

Query #2

Question:

What are the top transaction categories by revenue for May 2026?

Answer:

In May 2026, the top transaction categories by revenue show an overall increasing trend, with an average total revenue of \$8,358.70. The peak revenue was \$13,844.25 from Salary, while the trough was \$5,396.84 from Transfer. The total revenue increased from \$5,632.86 at the start of the month to \$6,355.13 at the end, reflecting a 12.8% growth. ### Business Insight Focus on enhancing the Salary and Rent categories, as they are driving the highest revenues. Additionally, investigate the low performance of the Transfer category to identify potential issues or opportunities for improvement.
